

# FFA-4H CAREER DAY HILLIARD & JACKMAN RANCH TOUR

**EAA CHAPTER 203**

**OFFC**

**FLYING CLUB**

This is one of two socially redeeming functions we attempt each year. The Future Farmers of America/4H Career Day-Young Eagles Event is scheduled for **January 6<sup>th</sup>, 2018 at 0830 in Belle Glade**. We need your participation. This has been a huge success the past couple years due to your selfless contribution to this event. This year promises to be even bigger and better than ever. This Young Eagles event is “the hook” that will draw kids in from all around the agricultural area to be exposed to the “movers and shakers” in the Glades agribusiness. This function will require a multitude of pilots and aircraft to make this a success. These kids are jam up. Those of you who have participated in the past will attest to this fact. And, we’ll be operating off a brand new runway.

EAA's Young Eagle program provides support for this function in terms of insurance and manpower. **I need to collect the names and planes who plan to participate in this function.** We are counting on you for support. There is a short question and answer on line quiz that needs to be taken in order to have EAA support. It's very easy. I've done it. Here is the hyperlink to the quiz and application for background check. See attached to see what the certificate looks like.

<http://www.eaa.org/en/ea/aviation-education-and-resources/ea-youth-education/youth-protection-policy-and-program>

As an added incentive to participate in this worthwhile event and “the hook” to get pilots and planes involved, we are being “given” a first class tour of the **HILLIARD BROTHERS RANCH** beef operation and the **JACKMAN RANCH** Wagyu beef production operation the day before (**January 5<sup>th</sup>, 2018**) in Clewiston. We will also enjoy a lunch at the Hilliard Brothers Ranch at their VIP entertainment facility. **Be ready to depart the Clewiston Airport for the tour at 0900.** We plan to overnight in Clewiston on Friday night after the tour. Dinner will be provided by the Florida Cattlemen’s Association and served to us at a **very exclusive** Dunwody VIP Lodge at U.S. Sugar. U.S. Sugar will also sponsor the de-icing hour prior to dinner. This is a weekend you won't want to miss. If you attend no other FCF, OFFC, EAA or FABA function, make this destination a priority.

Without your support, the FFA/4H Career Day is not possible. It's a way to pay forward the blessings we have received being involved in aviation AND getting to see the inside of a world class beef operation.

Let me know if you will attend please. **Make your reservations ASAP. The hotels sell out this time of year.**

**HOLIDAY INN EXPRESS-CLEWISTON**
