Can You Identify This Aircraft?

Send your Answer to webmaster@eaa203.com.
The answer will be in Next Months Hangar Talk

Hidden somewhere within the pages of this newsletter is an ASI similar to the one shown here (may be smaller). All you need to do is find the page on which it appears, specify the article or photo and send to webmaster@eaa203.com to win.

One Winning Entry will be selected from those submitted and their prize awarded at the meeting on Saturday.

Robert Newall almost found the ASI in the October issue (he guessed it was in the plug jack of the ADS-B), but was actually in the guy's face in the Barntoon cartoon.

Rick Golightly also Identified the BOT Speed Cruiser (by looking up the tail number... how clever can you get).

Last Month's Aircraft Identification

The BOT SC07 Speed Cruiser is a German ultralight and light-sport aircraft, designed produced by BOT Aircraft of Oer-

linghausen and introduced in 2009. The aircraft is supplied as a complete ready-to-fly-aircraft.

Top speed: 144 mph

Wingspan: 27' 0"

Length: 21.82'

Wingspan: 27' 0"

Directions & Meeting Place

NEXT MEETING at HANGAR #5. The next EAA Chapter 203 meeting will be held at North County Airport at **9:00 AM, Saturday, Nov11th, 2017**. This meeting will be at the EAA Hangar located at the junction of the Beeline Highway (SR710) and PGA Blvd (SR786) go 2.6 miles NW; turn left at the airport sign, and cross the train tracks. Follow the road to hangar #5, which is on the left-hand side before you get to the FBO terminal.

Young Eagles

curious how airplanes even work. You might even dream about being a pilot.

If you're nodding your head "Yes" and are between the ages of 8 and 17, you're ready to take a free Young Eagles flight and see what real pilots do on the ground and in the air.

Since 1992, more than 1.9 million Young Eagles have enjoyed a flight from EAA's network of volunteer pilots.

For more information contact Rick Golightly, rick@eaa203.com.

New Flight Advisor

Hello. I am Miquel Duran, the new flight advisor for our EAA Chapter 203.

As your new Flight Advisor, I am willing to help our members with any information they need pertaining to the operation of their aircraft.

I have been flying since 1995 and have about 7,000 hours of flight experience, currently flying for a charter company as a captain in a

Cessna CJ3. I don't own any aircraft at this time.

ATP: ASEL,AMEL,and two full jet typed ratings. Also, Commercial Pilot: ASES and Glider. CFI, CFII.

I have great interest in Aerobatics, LSA's and Ultralights, and gliders, but always looking to learn and help in other areas, like vintage aircraft and warbirds.

This is a quick summary of my experience and credentials, if you desire any additional information about me don't hesitate to ask.

Ever wondered what your neighborhood looks like from the sky? Or maybe you're
